

PROPHETIC WORD

July 2024

by Prophetess Monica Ollivierre

On June 27, 2024 at 7:53am, as I was seeking God about what He has in store in July for Hope Aglow I heard the word “breakthrough”. God continued to drop this into my spirit.

“Breakthrough. Hope Aglow will see breakthrough in July. Those things that were stubbornly holding you back from accelerating so far this year, you will see breakthrough in the month of July. Breakthrough in your finances. Breakthrough in your marriages. Breakthrough on your job. Breakthrough in your businesses. Breakthroughs will take place in July on many levels. Prepare for the breakthrough.

Get ready for multiple breakthroughs. Don't be satisfied with just one. Once one comes, be expecting more. It is time for breakthrough for Hope Aglow and I have it scheduled for the month of July. You will see breakthrough. Even get your children expecting breakthrough in their lives.

*That which was held up will be breaking through in July. It is a month of breakthroughs. **SEE IT AND SEIZE IT.***

Breakthrough to accelerate. I'm clearing the land for your acceleration. I'm clearing the pathway for your acceleration in July. I'm clearing out all the roadblocks, obstacles and blockages to your acceleration in July. I'm clearing out your territory so that you can build what I lead you to build the rest of the year.

Breakthrough will arrive suddenly in the month of July. EXPECT IT!”
