

# PROPHETIC WORD

## January 2025

by Prophetess Monica Ollivierre

On December 30, 2024 @ 8:55am as I was seeking God for what He had in store for Hope Aglow in January, He dropped into my spirit “MORE”. Then God continued with the following:

*“Believe for **MORE**. In January, I need you to watch Apostle Stevens’ messages again on Expanding Your Capacity. Hope Aglow hasn’t expanded to the capacity that I need you to expand to yet. There is so much more that I have for you Hope Aglow. Right now, you are too limited for Me to pour the **MORE** into your life. Re-watch those messages several times. Take notes. Apply the concepts to your life. Afterwards, get ready for your **MORE**.”*

*I want Hope Aglow to get every drop of **MORE** that I have for you. I want you to believe Me for so much **MORE** that you see yourself walking into houses you did not build, vineyards you did not plant, etc. I need you to stretch, expand and enlarge for the greater that I have for you.*

*Do not just limit Me to one area of your life Hope Aglow. I desire to pour **MORE** into all areas of your life. I desire to bless your health, finances, marriages, relationships, children, etc.*

*I desire to give Hope Aglow **MORE** and double for your trouble. Those troubling areas that you have had over the years believe Me to fix them in 2025. Put **MORE** faith in Me in those areas and watch Me not only turn those areas around but they will become flourishing areas for you.*

*Wipe the tears from your eyes Hope Aglow. This year, if you can believe, all things will be possible for you. Nothing is off the table. Bring it to My table that I have set before you and I will help you with it. I have **MORE** strategies than you know of to fix every one of your problems. Trust Me for the **MORE** in 2025. Don’t think small in 2025. Think big and watch Me release **MORE** on top of that.*

*I have **MORE** for you Hope Aglow. I have much **MORE** for you in 2025. Increase your capacity so you can receive it.”*
