

# PROPHETIC WORD

## September 2023

by Prophetess Monica Ollivierre

On August 23, 2023 at 6:32am as I was seeking God about what He had in store for the Hope Aglow family in the month of September, I heard Him say "acceleration". Afterwards He expanded that to "continual and ongoing acceleration to recover all" and then dropped the following into my spirit.

*"A new wind in your spiritual sail will blow in the month of September to move you forward and to make progress. To advance Hope Aglow into territories that were previously closed to you. Doors will open in the month of September for you. Doors previously closed and doors of access you had no idea of. Doors that you didn't even know to ask to open will open for you and your family. Walk into them for those door openings are of Me.*

*Acceleration is needed in September to thrust you forward to make up time. I'm making up time for you in September. Whatever time was lost earlier in the year will be made up in the month of September. Spiritual time will be made up to reset you back on course to finish well in December.*

*Spiritual time. I'm working with spiritual time. You are stepping into My kairos moments in the month of September that will catapult you forward, up and over lost spiritual time. I'm making up for the years that the caterpillar, the palmer worm, the cankerworm, and the locust ate away at your life. I'm bringing restoration in September for you and your families.*

*Listen for My strategies. Listen for My tactics in the month of September for when you step out on them and deploy them in your life you will experience acceleration and restoration. I've seen through the years what was stolen from you. I am here to restore that which was stolen from you. I will make sure that everything that was stolen from you is returned to you with interest.*

*I own cattle on a thousand hills. I have unlimited resources. All I need you to do is to believe and obey. You will make the way for restoration to come to your house by your believing and then obeying My instructions.*

*Reservoirs in Heaven are ready to release unto you based on your believing and obeying. This is a pivotal time in the year for you. Things will shift in your favor this month.*

*Stay with Me. Walk with Me. Pay attention to Me. I have great amounts to release in September. I just need you to position yourself in faith and obedience to receive. Your level of receiving will depend on those two things. I am with you. I will help you to recover all."*
