

# JUNE'S PROPHETIC WORD

## June 2022

by Prophetess Monica Ollivierre

In Pastor Stevens' message on Sunday, March 6, 2022, she mentioned a Jewish custom called Rosh Chodesh, which means beginning of the month or head of the month. She stated it was a time when the people came to the prophets on the first of the month to know what God was saying about that month. Since hearing Pastor Stevens' message, I've sought God for what He wanted to say about future months for the Hope Aglow family. Between May 30, 2022 and June 1, 2022, God gave the below to me for what He has in store for the Hope Aglow family in month of June 2022.

*“Trade winds are blowing. Trade winds of change and of new directions of increase. You will receive a push from Me this month to get some things done that you haven't gotten done. Momentum will build to accomplish things left undone. This will be a very productive month for you. Take full advantage of the trade winds blowing in your direction for increase, breakthrough and the new.”*

Welcome to The Prophet's Watch. As God gives to me what He has planned in future months for the Hope Aglow family, I will release it to you here. I encourage you to do as Paul encouraged Timothy in 1 Timothy 1:18 (KJV). War a good warfare using each month's prophetic word. Press into it in prayer. Grab ahold of it for yourself, your family and your future. Don't let it go.

*“This charge I commit unto thee, son Timothy, according to the prophecies which went before on thee, that thou by them mightest war a good warfare;”*  
**1 Timothy 1:18 (KJV)**

## PROPHETIC WORD

### July 2022

by Prophetess Monica Ollivierre

On June 12, 2022, as I was seeking God for what He has in store in July 2022 for the Hope Aglow family, He gave me the following.

*"First, I heard "march". Then God said "momentum is building and Hope Aglow is marching into the greater things I have for you. Your pace is increasing. You are not just walking. You are marching with determination forward. You have to put the past behind you and be focused on the things ahead. I am with you Hope Aglow. I am empowering you. I am giving you the confidence in Me that you need to walk into what I have prepared for you. I will unfold new things to you this month. As you march forward and don't look back, I will be able to pour new wine into your new wineskins. March, march, march. Keep up with Me. Things will start to move faster for you in this month. Connections will come this month. Faster movement. Stay in step and in tune with Me for the pace is speeding up this month. There is an expected end I am marching you towards. Stay in step with Me to get to the place I have for you. March into the greater things this month. March in the momentum."*

Welcome to The Prophet's Watch. As God gives to me what He has planned in future months for the Hope Aglow family, I will release it to you here. I encourage you to do as Paul encouraged Timothy in 1 Timothy 1:18 (KJV). War a good warfare using each month's prophetic word. Press into it in prayer. Grab ahold of it for yourself, your family and your future. Don't let it go.

*"This charge I commit unto thee, son Timothy, according to the prophecies which went before on thee, that thou by them mightest war a good warfare;"*

## August 2022

by Prophetess Monica Ollivierre

As I was seeking what God has for Hope Aglow in August, on 7/22/2022 @7:04am God dropped this into my spirit.

*"I want you Hope Aglow to go to those messages that I released at Hope Aglow over the last few months (May, June and July). Re-watch them, and re-listen to them. Review your notes that you took on those messages. Review the to-do items that I gave you from them and seek Me for what your to-do items should be if you haven't done that already. Re-watch and re-listen to the messages at both campuses and from Bible study. What I released in those messages will bring you into a new beginning. Focus on completing those to-do items in August and for the rest of the year. Don't just be hearers of the messages that I released. Be doers of them.*

*This month I am resetting Hope Aglow, much like how a doctor resets a bone. I will be repairing broken and fractured areas this month. I will be placing a supernatural cast over you corporately, in your marriages, families, finances, relationships, businesses, etc. to reset them. To repair, to restore, to bring them back stronger and better. Don't worry about those broken places. I'm going to fix them this month. The very areas that caused you hurt, that became fractured, that were broken, I will bring back better than ever.*

*Be willing to go through the spiritual cast process. You may be itching to take matters into your own hands but just rest knowing I'm taking care of those places for you. Let Me. You may not see movement due to the spiritual cast being placed on them but know behind the scenes I am working for you Hope Aglow to repair, restore, and renew everything. Once I take off the spiritual cast, you will be better than ever. This is the month of the reset. Receive it corporately Hope Aglow, individually, for your family and for your future."*

## September 2022

THE PROPHET'S  
**WATCH**

...Believe in the Lord your God,  
so shall ye be established; believe  
his prophets, so shall ye prosper.

2 Chronicles 20:20 (KJV)

**As I was seeking God for what He will do for Hope Aglow in September, on August 26, 2022 @4:40am God dropped the following into my spirit.**

*"Great spiritual progress. Great spiritual ground. In the month of September, Hope Aglow will make great spiritual progress and take great spiritual ground. This will not be without opposition from the enemy, but you will win over the enemy. You will be employing and deploying lessons I have previously taught you in the month of September to make great spiritual progress and that will lead to taking great spiritual ground back from the enemy. Areas that the enemy infiltrated and gained a foothold in, you will take back. Forfeited territory will be regained and new territory will be gained by you. I will reveal new territory unto you this month for you to take. I will be with you and will help you to secure vineyards you didn't plant and houses you didn't build but yet that territory will be given to you. Increase is coming to you in September. Prosperity is coming. Focus on Me and I will lead you right to it to be a blessing to you individually, to your family and to Hope Aglow. Increase is coming in September. Progress is coming. For areas that you were previously stuck in, things will break in the heavenlies for you. The demonic opposition against you and your families will be broken and what has been held up will be released in September. Contracts will be signed in September. You will be thrust forward in progress. Time will be made up. Territory will be made up. Restoration will bring back the years that the cankerworm and the caterpillar and the Palmer worm and the locust had eaten away at you, and you will walk into those areas formerly eaten away and see new growth and new development because the opposition has been taken care of.*

*When you walk into these blessings, don't forget about Me. Keep Me first. Focus on Me. I have even more to restore and to give unto you. Don't get distracted by the blessing. Remember the blessing Giver. You will make great spiritual progress and take back great amounts of spiritual territory in the month of September. Look for it. Expect it and rejoice when it comes"*

## October 2022

by Prophetess Monica Ollivierre

As I sought the Lord about the month of October for Hope Aglow, He spoke to me on September 20, 2022 at 3:42am.

*“God began with one word, which was “bracing”. The month of October will be about bracing. It is a month where much witchcraft takes place and not just on October 31st. Begin now to cover the month, region, state, and nation in prayer. Speak in tongues often this month to cover the month and start to pray about next year to protect them both from the evil one. This is a month to be alert, vigilant, watch and pray. You are going into the last quarter of the year and the enemy wants to release and impact it as much as possible. If there are things you haven’t accomplished thus far this year that I gave you to do, pick those items back up. Start working on them to finish them before the end of the year. I am with you and will help you to accomplish those things. I just need you to press into Me and pick them back up. This is a month that much prayer is needed because your adversary the devil is surely roaming around like a roaring lion seeking whom he may devour. You will stay ahead of his attacks with prayer and fasting.*

*Do not go to sleep spiritually this month. Stay awake, vigilant, alert, prayerful and watchful all month long to set up the rest of the year and the beginning of next year. I am with you, and you are already victorious. Just don’t give the devil a foothold or any opening into your life.”*

Let’s keep the Hope Aglow family especially in prayer during this month.

## November 2022

by Prophetess Monica Ollivierre

On October 17, 2022 @7:31am, as I was seeking God for what He was going to do for Hope Aglow in November, God dropped the following into my spirit:

*"Hit the ground running. I am going to bring several opportunities to you between November and the end of the year. You need to hit the ground of November running with those opportunities that I give unto you. Running because I am with you and helping you. My wind will be to your backs blowing, propelling and opening up doors of opportunity. Time, lost time, will be made up in November. Opportunities will come back around in November. Advantages will be given to you. Move with My wind. I am blowing on some things in November.*

*The time and season to move on those opportunities is now. When I reveal them to you, the timing is now. Run with them. Prosperity will result in the opportunities that I am bringing unto you if you will run with them. Your pace needs to pick up in November through the end of the year. No more delay. I will not delay if you do not delay.*

*Pick up the stick in your hand that I am giving to you and move forward with it. This is not the time to procrastinate. I am troubling the waters for you. All you have to do is jump in. Jump in for you. Jump in for your family. Jump in for your future and jump in for Hope Aglow. What you have been waiting for is here. No more delay."*

## December 2022

by Prophetess Monica Ollivierre

On November 26, 2022 @12:50pm as I was seeking God for what He will do for the Hope Aglow family in December, He dropped this into my spirit.

*"Progress. Progress will be made in December to catapult you into January. This progress will catapult you up and over the hurdles that the enemy will place in your way in January. Take advantage of every opportunity that I give to you in December. It will be a busy month, but you also need to make progress on the things I have given to you and will give to you to do so that you can set up your January for even greater progress and success.*

*Listen for and to My voice. I will lead you to lands flowing with milk and honey to bring restoration and refreshing. You will make progress in December. Keep pushing and pressing forward. There are still great things to achieve in 2022. Don't let your foot up off the gas. Keep pressing forward. There are still destinations, heights, and places I want to take you to in 2022. Keep seeking My face. Keep drawing nigh unto Me and I will show you things that you don't even know to ask for, but I want to give them to you.*

*I'm ready to catapult you into 2023. I just need you to finish some things in 2022 that will lead to the catapult. Time is of the essence. Use each day in December to make progress and watch what I will do for you in 2023."*

## January 2023

by Prophetess Monica Ollivierre

On December 28, 2022 @4:25pm, as I was seeking God for what He has in store in January 2023 for the Hope Aglow family, God began to speak to me about the year 2023. This is what He dropped into my spirit.

*"Jump into 2023. There are new roads of opportunities that I have prepared for you to walk down and into. New roads to travel down with resources already along the route. Roads of prosperity. Your every footstep in 2023 needs to be ordered by Me. Before you take a step, make sure I am leading you on that pathway. There are new roads and new stops along the way of 2023. Some will be surprising, but I will walk with you along those roads of opportunities.*

*Listen for My signals to stop along the way. There will be some detours. There will be some traffic jams. I have a destination to get you to before the end of the year. There are places I'm trying to get you to in 2023 and things I'm trying to get to and through.*

*Along the path of 2023, walk closely with Me. I have great plans, places and destinations to get you to for you and your children. Generational blessings are awaiting you in 2023. Jump in and follow Me. I am already troubling the waters of 2023 to bring healing to areas that you have desired healing in for years. Jump into the blessings of 2023. They are awaiting you.*

*Follow Me every step of the way through 2023 on the divine roads of opportunities. Take the rest stops that I lead you to because resources and refueling are there. Follow the path that I have for you. I have trail blazed it already for you. All you have to do is walk down the road I've already laid out for you. Joy is on this road. Peace is on the road. Prosperity and protection are on the road as well as safety.*

*Walk with Me down the divine road of destiny paved with everything that you need to be successful in 2023. Jump into the great plans that I have for you in 2023. Some of the twists and turns in 2023 will not make sense but they will bring you to the place that I have ordained for you before the beginning of time.*

*Trust Me in 2023 more than you ever have so I can bring more to you than I ever have before. I am with you. I am already in your tomorrow of 2023 working everything out for your good. Walk with Me closely throughout the entire year of 2023 and watch what I do for and through you. You won't be disappointed."*

## February 2023

by Prophetess Monica Ollivierre

On January 5, 2023, at 5:44am during our corporate fast, God gave me a dream about Hope Aglow. Below is the dream, the interpretation of the dream as well as what God dropped into my spirit after the dream.

*In the dream I was in a store. There was a large front window, and I could see out into the parking lot. Snow was on the ground, and it was June 1st. People were in the parking lot enjoying the snow by throwing snowballs. The snow was a surprise because when I came into the store snow was not on the ground. Then I woke up.*

*Here's the interpretation of the dream as well what God gave me afterwards. As I asked God, how do you go from no snow to snow so quickly? And it was not the time of year for snow because it was June. This stood out because I got the impression it was springtime when I walked into the store, but it changed to winter as I looked out the window. As I noticed people in the parking lot enjoying the snow by throwing snowballs, God dropped the latter part of Daniel 2:19-21 (NIV) into my spirit which is, ...He changes times and seasons; he deposes kings and raises up others. He gives wisdom to the wise and knowledge to the discerning."*

*Then God said I change seasons when I want to. Enjoy the season as I bring it. It might not be your timing or the natural timing, but it is My timing. Snow is in the winter. There are some good things that happen in wintertime. Hope Aglow is in a spiritual winter. It is a time of renewal, refreshing and rejuvenating for Hope Aglow. Things may seem dormant at the time, but new growth is under the surface and to come. It is just about to come forth and spring forth through the grass. New growth and new development are coming to Hope Aglow. Even though from the natural eye things look stagnant, new growth is coming. New opportunities are coming. It is a time to rejoice for what is coming.*

*Seeds Hope Aglow has sown in prior years are going to spring forth now. You will reap from seeds sown long ago. This is reaping time for Hope Aglow. Harvest time for Hope Aglow. There are some plants that only grow in winter. There are some seeds that I am bringing forth that only grow in the winter.*

*You will experience unusual reaping in this season. Unusual because the harvest is coming at an unexpected time and the size of it will be larger than expected. Rejoice for the unexpected harvest in an unexpected season because it is of Me and according to My timing. I could have had the harvest come earlier. But now, this year, is the appointed time for the unusual harvest. Begin to look for it and expect it. Because the unusual harvest for seeds sown in the past are coming to Hope Aglow.*
