Our Special Guest Speaker

Ka'Maya Shanelle is a beautiful 6 year-old girl with a dream to help children love themselves better and then release that love to others.

At just six-years-old, Ka'Maya understands the strength that it requires to love and be kind to yourself even when others are unkind.

Trying to make friends in a diverse community can be challenging. Ka'Maya has faced adversity in her own life, yet she keeps her focus on choosing to love all of the things that make her unique – dancing, playing sports, even learning a new instrument! Celebrating the things that make us special and choosing to love those things is what Ka'Maya shares in her coloring book *I Love Myself*.

Ka'Maya, inspired by her mother who is also a successful author, is a child who desires to inspire and empower children to never stop believing in their ability to achieve greatness.
