

**Decrees to Establish 2024**

**As the Blessed**

**Year Yet :**

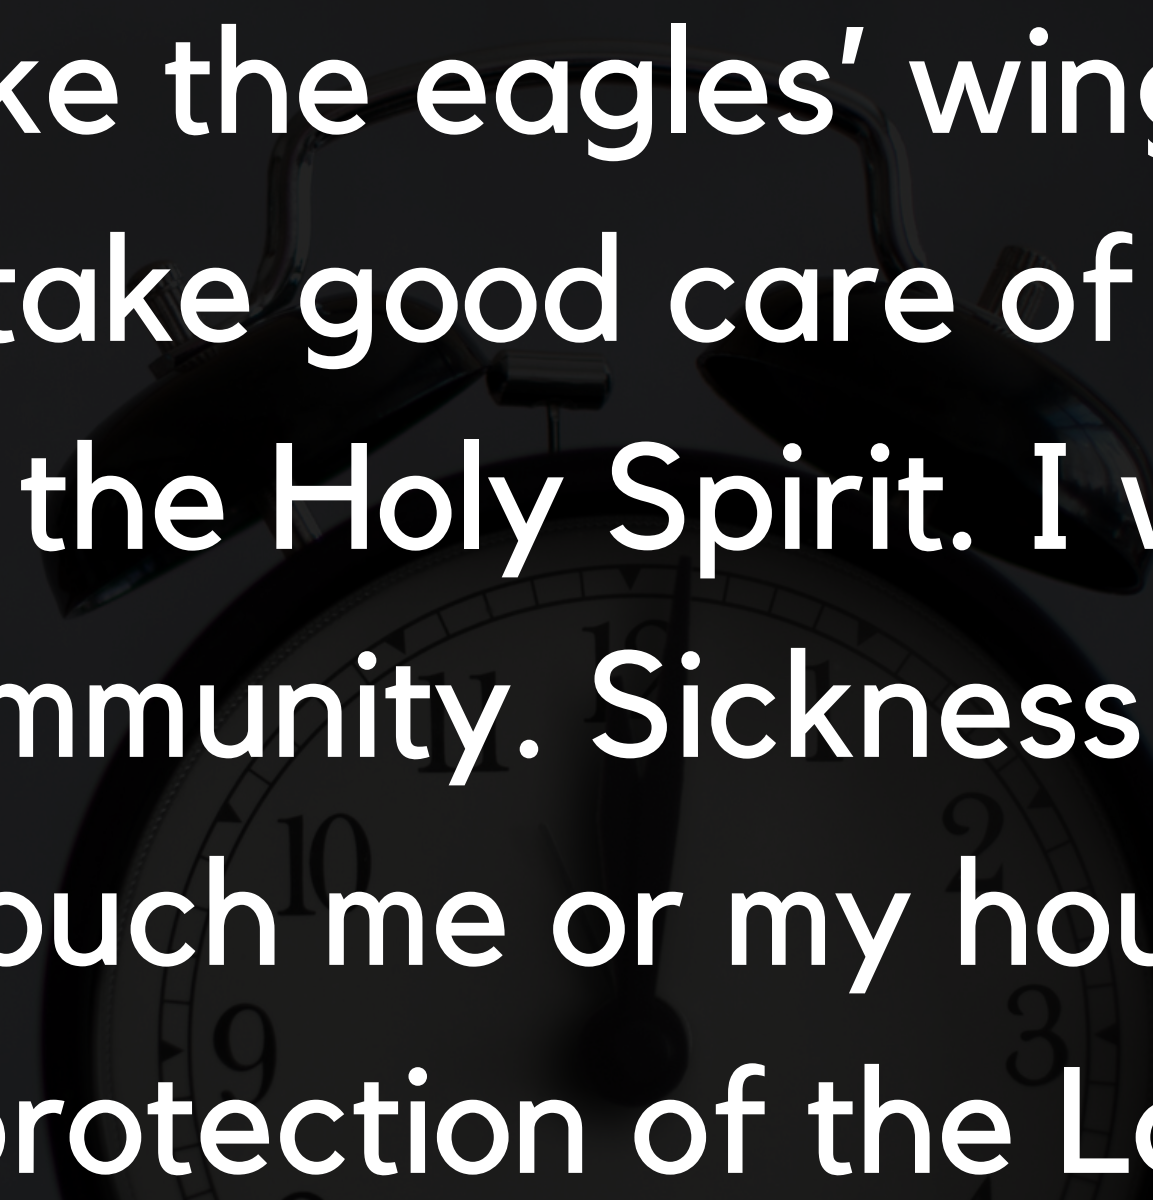

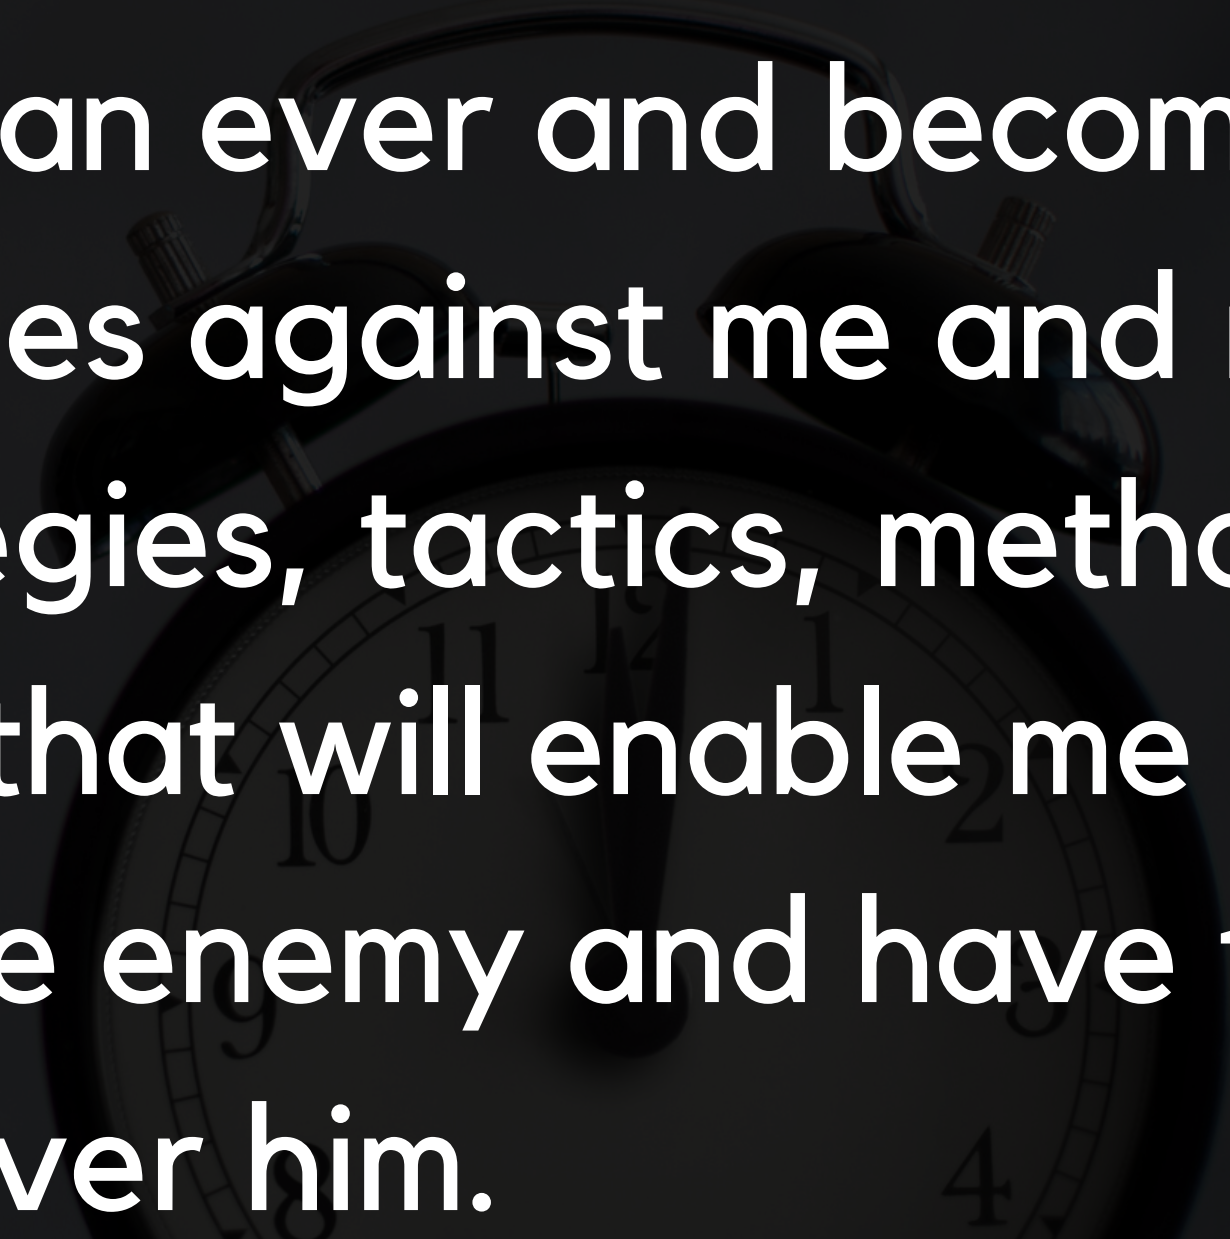

2024 will be my most productive and most profitable year yet. Multiple streams of income will be revealed to me, and multiple streams of income will flow into my life. I will be a good steward over what God places into my hands. I will consistently tithe, give offerings, alms, first fruits and sustainment offerings and see the manifestation of God's blessing making me and my family rich and adding no sorrow.

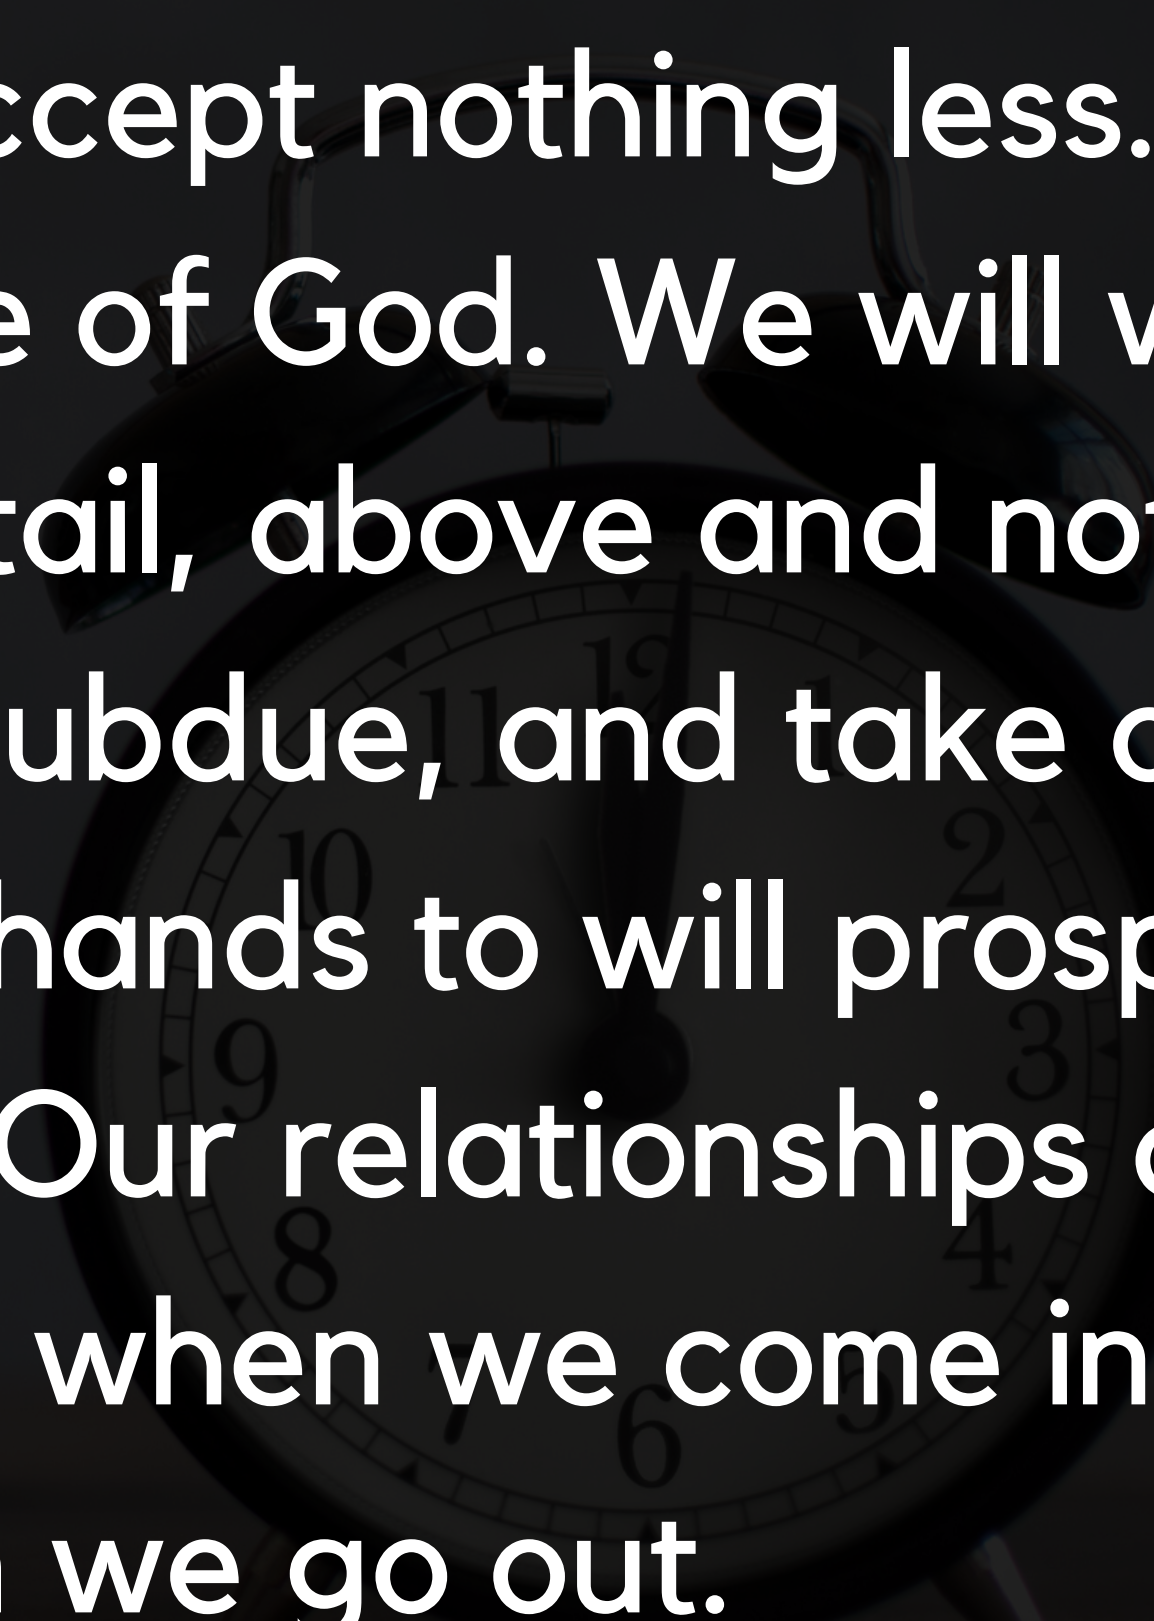

My health will be renewed like the eagles' wings. I will eat right, exercise and take good care of my body, which is the temple of the Holy Spirit. I walk in Divine health with Divine immunity. Sickness and disease will not be able to touch me or my house. We walk in the safety and protection of the Lord.

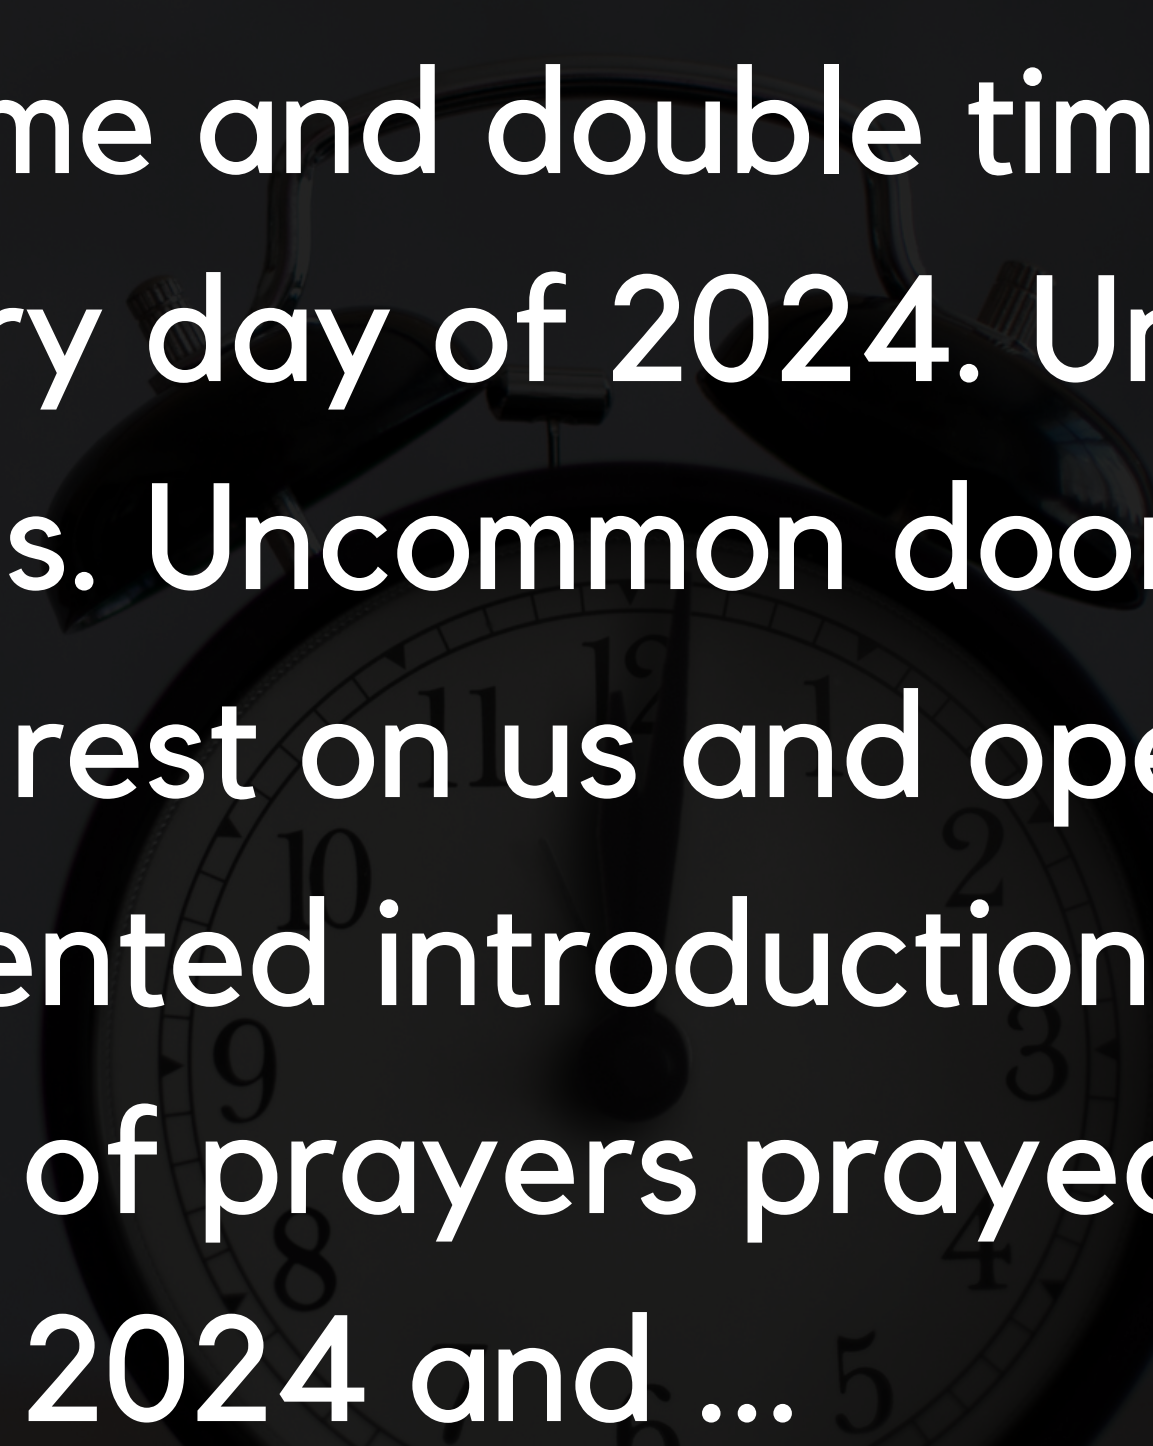

I will spend more time with God in 2024. I will receive more revelation than ever and become aware of the enemy's devices against me and my family. God will reveal strategies, tactics, methods, out of the box thinking, etc. that will enable me and my family to be ahead of the enemy and have the upper hand over him.

2024 will be a Deuteronomy 28:1-14 year for me and my family and we will accept nothing less. We will listen and obey the voice of God. We will walk as the head and not the tail, above and not beneath. We will dominate, subdue, and take over. Everything that we lay our hands to will prosper. Our marriages are blessed. Our relationships are blessed. We are blessed when we come in and blessed when we go out.

I command the angels assigned to us to increase in 2024 and to work overtime and double time ministering on our behalf every day of 2024. Unusual opportunities are coming to us. Uncommon doors are opening for us. Favor will rest on us and open extraordinary and unprecedented introductions and connections. Manifestations of prayers prayed for years will occur in 2024 and ...

... 2024 will be our
