

JUNE'S PROPHETIC WORD

June 4, 2022

by Prophetess Monica Ollivierre

In Pastor Stevens' message on Sunday, March 6, 2022, she mentioned a Jewish custom called Rosh Chodesh, which means beginning of the month or head of the month. She stated it was a time when the people came to the prophets on the first of the month to know what God was saying about that month. Since hearing Pastor Stevens' message, I've sought God for what He wanted to say about future months for the Hope Aglow family. Between May 30, 2022 and June 1, 2022, God gave the below to me for what He has in store for the Hope Aglow family in month of June 2022.

“Trade winds are blowing. Trade winds of change and of new directions of increase. You will receive a push from Me this month to get some things done that you haven't gotten done. Momentum will build to accomplish things left undone. This will be a very productive month for you. Take full advantage of the trade winds blowing in your direction for increase, breakthrough and the new.”

Welcome to The Prophet's Watch. As God gives to me what He has planned in future months for the Hope Aglow family, I will release it to you here. I encourage you to do as Paul encouraged Timothy in 1 Timothy 1:18 (KJV). War a good warfare using each month's prophetic word. Press into it in prayer. Grab ahold of it for yourself, your family and your future. Don't let it go.

“This charge I commit unto thee, son Timothy, according to the prophecies which went before on thee, that thou by them mightest war a good warfare;”

1 Timothy 1:18 (KJV)
