

PROPHETIC WORD

October/November 2024

by Prophetess Monica Ollivierre

On September 19, 2024 at 8:07am, as I was seeking God about Hope Aglow in October, God led me to seek Him about the land (The United States). As soon as I did that, God dropped the word “turmoil”. He continued to drop this into my spirit.

“Turmoil in the land will start to be experienced in October. No matter what the outcome of the election will be, there will be turmoil in the land. There will be turmoil in October and November.

Prepare for it. Stock up for it. You don't have to worry. I will protect you Hope Aglow. Stay connected to Me. I will give you instructions ahead of time to keep you ahead of what is going on. You are the head not the tail. You live above the systems of the world not below or underneath them.

I am with you Hope Aglow. You need to prepare. Prepare spiritually, physically, mentally, and emotionally for the tough times ahead. They will be trying times but I will get you through them.

Stay with Me. Don't look to the right or left with the various news reports. Look up to Me where your help comes from. I am with you. I will help you Hope Aglow.

Get prepared for social unrest, and food shortages. Stock up on supplies now so that when these storms come your households will be adequately supplied and you can share with those in need. I am with you Hope Aglow. Do not fear. Do prepare.”

I believe God released this Prophetic Watch early and for two months instead of just one month to give us time to prepare. After reading it, if you need ideas for how to prepare, please select the below “HAEC Household Plans” link. It was a list God led us to make as a church to prepare in July 2020. Blessings to each of you and your families.
